TRAINING PROVIDER AFFILIATION CERTIFICATE

This is to certify that **Jack Overseas Recruitment Services** has been affiliated as a **"Training Provider" for RPL/Onsite trainings** only for the following job roles under Construction Skill Development Council of India: -

TP Affiliation Certificate No.	**CSDCI/2025-26/TP/075 dated 31st March 2026**
Already affiliated in following job roles: - **1. Assistant Bar Bender & Steel fixer**	**Validity of TP affiliation certificate from 31st March 2026 to 30th March 2027**
Added on 3rd August 2026: - **1. Assistant Shuttering Carpenter** **2. Assistant Electrician** **3. Assistant Mason**	**Validity of TP affiliation certificate from 31st March 2026 to 30th March 2027**

As per this Affiliation Certificate, it is mandatory for the TP to have: -

1. One trainer per 'Job Role' certified by Construction Skill Development Council of India valid for the entire duration of the Affiliation Period. In case the validity of trainer certification is expiring during the period of affiliation, it is imperative upon the 'Training Provider' to get the trainer re-certified from Construction Skill Development Council of India (CSDCI) 90 days before the expiry of validity of the trainer certification.

2. The Training Provider (TP) has to initiate 'Skill Gap Survey' along with their team mobilization. Minimum sample size of skill gap survey should be 5% of the target given by their respective scheme proponent in every job role. Bridge Course Curriculum needs to be submitted along with the completion of skill gap survey i.e. before the training commences.

3. Construction Skill Development Council of India (CSDCI) certified 'Assessors' will conduct all job role assessments for schemes approved by CSDCI and failure to get assessments done from CSDCI within the stipulated period shall warrant the TP to submit in writing to CSDCI that no assessments were carried by them during the stipulated period through any other Awarding Body.

TP Affiliation Certificate No.	**CSDCI/2025-26/TP/075 dated 31st March 2026**
Already affiliated in following job roles: - **2. Assistant Bar Bender & Steel fixer**	**Validity of TP affiliation certificate from 31st March 2026 to 30th March 2027**
Added on 3rd August 2026: - **4. Assistant Shuttering Carpenter** **5. Assistant Electrician** **6. Assistant Mason**	**Validity of TP affiliation certificate from 31st March 2026 to 30th March 2027**

4. The TP shall provide the necessary tools, equipment and infrastructure required for assessment of trainees as per the affiliated job role. Any deficiency found by the assessor/SSC for assessment during the assessment/inspection, following criteria will hold good:

(a) TP has to make immediate (not exceeding 1 day) arrangements required towards the assessments of the complete or remaining trainees/batches.

(b) Assessments which get delayed on account non-compliance of any of the above conditions by the TP, the expenses incurred by the assessment agency for the travel, boarding and lodging of the assessor shall be then borne by the TP.

5. During the period of affiliation or certification, failure to comply with any of the above-mentioned conditions or those which have been communicated to the TP or to its certified trainer on all occasions, Construction Skill Development Council of India (CSDCI) reserves the rights to cancel this affiliation / certification as may be applicable with immediate effect.

6. An undertaking submitted by the Authorised Signatory of the Training Provider accepting to comply with the above conditions forms part of this affiliation / certification as given in Annexure A to give validity to this affiliation / certification.
